Do you have questions about how the Affordable Care Act affects you and other individuals? Are you interested in **free** health screenings for yourself and your family? If so, please participate in this half-day health fair and symposium.

Experts will share information about the Affordable Health Care Act and its implementation. Learn about the health care insurance marketplace, Medicaid expansion, Small Business Health Options Program (SHOP), and the importance of community health centers as medical homes and navigators.

Are you interested in becoming a health ambassador or consumer information advocate? Participate in our Advocate Education and Outreach Session which will feature in-depth presentations and technical assistance.

For any additional questions, please contact Congressman Elijah E. Cummings' Special Assistant, Hope M. Williams at 410-685-9199.
